Sir:

**COMMUNICATION IN RESPONSE TO DENIAL OF REQUEST  
FOR A CERTIFICATE OF CORRECTION**

This is in response to a communication received from the Decisions and Certificate of Correction Branch of the U.S. Patent & Trademark Office dated July 20, 2009.

In order to proceed with the correction of this patent and to show the true and correct assignee of the patent as T-Mobile Deutschland GMBH, Bonn, Germany, attached is the Notice of Recordation of the assignment, dated December 27, 2005. The Notice shows the assignment was recorded at reel 016940, frame 0715, to T-Mobile Deutschland GMBH (Germany).

Patentee's attorney hereby states that the failure to include the correct assignee name and information on the PTOL-85B was inadvertent.

Patent No.: 7,548,857  
Issued: June 16, 2009

On behalf of the Patentee, we respectfully request that the Director issue a Certificate of Correction under 37 C.F.R. §1.323 which provides for the correction of an applicants' mistake. The mistake occurred in good faith and the correction does not involve such changes in the patent as would constitute new matter or would require reexamination (35 U.S.C. 255).

The fee of \$100.00 for a Certificate of Correction previously has been paid. Please charge the petition fee pursuant to 37 C.F.R. § 1.117(b) to our Deposit Account No. 03-3125. If any other fees are required, authorization is hereby given to charge the amount of any such fees to Deposit Account No. 03-3125.

If this Request is granted, please forward the file to Certificates of Correction Branch for issuance of a certificate of correction.

Respectfully submitted,

Dated: August 27, 2009

By

I hereby certify that this paper is being  
faxed this date to facsimile number:  
(571) 273-0025.
